Brand new roof being installed 11 July. This Large Home in Midwest City has FOUR Bedrooms and TWO Dining Areas? Yes, Please! TONS Of Space to Entertain, too! This home boasts lovely gardens, covered patios on the side of the home and back that are great for neighborhood cook-outs or storage for your toys. A privacy fence encloses the entire back yard so you can enjoy the wood deck and hot tub. The Inside of the home is spacious with a gas fireplace, built-in bookshelf, updated ceiling fans and lighting. The kitchen has ample storage space and includes the fridge. The master suite has 2 closets and a full bathroom. Deep freezer and extra fridge in garage as well as a storm shelter. The garage has been partially converted for growing plants. Just needs a little TLC and this home could be YOURS! Great Location, quick access to I-40, Tinker AFB and close schools! Schedule your personal tour today!
